DISCUSSION ON ACTION ITEMS, PUBLIC HEARINGS, PRESENTATIONS AND ANNOUNCEMENTS

1. Discuss and consider action on an ordinance amending Building Permit Fees.

Building Inspector Curt Myers and City Manager Mercy Rushing gave a background of why the building permit fees were updated. The governor had signed a bill into law requiring cities to stop charging fees based on values that was effective immediately. Curt and David crafted the new fee schedule after researching several other cities in the area and based the fees on square footage of the project. The new schedule is streamlined and should make issuing permits simpler and cheaper for builders.

A motion was made by Council Member Greg Hollen and seconded by Sue Jones to adopt Ordinance 19-05-31, Building Permit Fees. There being no further discussion, the motion carried by a unanimous show of hands.

ADJOURNMENT

There being no further items for consideration, a motion to adjourn was made and the meeting adjourned.

Kevin White, Mayor

Cindy Karch, City Secretary
