First Responders Recognized during Football Game at Meredith Memorial Stadium

Friday, September 27, 2019

7:30 p.m. Game (During Halftime)

Meredith Memorial Stadium

1600 W. Loop 546

Mineola, TX

In appreciation of the dedication and service of first responders, Mineola ISD will recognize members of medical, law enforcement, fire, and other first responders during halftime at the football game. Members will be asked to join personnel on the field at the 50 yard line to be honored.

“September has been declared as National Preparedness Month and we know that with any disaster or tragedy that occurs in communities across the United States, first responders rush in and even lay down their lives to protect and save our families. Mineola ISD wants to celebrate their selfless service to our community,” states Dr. Kim Tunnell.

All first responders in uniform will be admitted to the game free of charge. The public is invited to wear blue as a sign of support and appreciation for our first responders Friday night.
