Dear Chief Bittner,

I wanted to personally thank you and your staff for your participation and support of Wood County's first No Refusal Weekend. You and your officers were supportive and encouraging of my vision from the very beginning. Thank you for allowing me and my staff to ride along with your officers and to experience first-hand the professionalism of your department.

Thank you for attending the meetings and being available Labor Day Weekend from start to finish. Evidently our efforts and publicity of the event paid off and the Wood County roads were free from intoxicated drivers except for 3 individuals who were arrested and submitted specimens for testing.

My hope is that this will become a regular event in Wood County. Teamwork and understanding between agencies is so important and I am thankful your agency helped to make this event a huge success. I look forward to working with your agency in the future for other projects.

Sincerely,
