I just wanted to take a moment to let you know how much we appreciated and enjoyed camping and riding our horses in the Preserve this past weekend.

Making reservations was pleasant and easy. We arrived Thursday 6/12 and we are leaving this morning.

What a magical place this is! The park is gorgeous, the trails are laid out so that we felt like we had the place to ourselves! Our camping spot and pens were excellent! We especially enjoyed the great wifi, since I am still working and could keep up with things.

Before we left, the two park caretakers came by emptying the trash from the weekends' camping. They were very friendly and pleasant and great ambassadors for the City.

We will definitely be back to enjoy the Preserve again...thank you for making it available to the public. We paid for our use and site, but I will also be happy to make a small donation toward the upkeep of the park.

Sincerely,

Sandy Menley
