TYLER, Texas (KLTV) - The East Texas Council of Governments (ETCOG) announces \$1 million in grants from the Office of the Governor's (OOG) Criminal Justice Division awarded to East Texas jurisdictions to address the public safety challenges posed by the outbreak of COVID-19. These funds come from the Coronavirus Emergency Supplemental Funding (CESF) Program authorized by the federal Emergency Appropriations for Coronavirus Health Response and Agency Operations Act.

cities and counties in Texas.

Local units of governments may use funds awarded under the CESF Program for first responder overtime and hazard pay; equipment and supplies supporting teleworking technologies, social distancing, and personal protective gear; county jail costs associated with the medical needs of inmates as well as reimbursement for holding inmates awaiting transfer to the Texas Department of Criminal Justice.

- Harrison County - \$262,295
