

MEMORANDUM

DATE: November 16, 2020
TO: Mayor & City Council
FROM: Doris Newman, Main Street Manager / HPO
VIA: Mercy Rushing, City Manager
SUBJECT: Meredith request for Main Street

Main Street 2020 Request for Meredith Foundation:

The Mineola Main Street Board voted in its October meeting to request funds for repairs and repainting of our downtown trash cans. We have been given a quote of **\$8,000** to pick up, repair, re-powdercoat and deliver the **18 trash cans in downtown area**. We will apply new decals as well. An inventory of the trash cans revealed they are in need of a facelift so they don't detract from our beautiful downtown. (See photos.) We are also requesting \$5,000 to be used for new garland for Christmas. Much of the greenery on ours has become sparse and the wire its attached to rusted. (See photo.) This garland is used to swath the iron fence along the railroad tracks. We are requesting **\$5,000 for Christmas decorations**.

Main Street request - \$13,000 (\$8,000 for trash can repairs/refresh and \$5,000 for Christmas decorations)

Subject: Trash cans Robbie

New trash can x4 \$1,100.00/ea

Total. \$4,400.00

Includes material, fabrication , powder coat and new plastic trash can.

To repair 18 \$450/ea total \$8,100.00

Includes all welding repair, material, pick up and delivery and new powder coat paint. Powder coat would be a little more on these because it adds about 2 hours to prepping them since they have already been powder coated before. This would also include new plastic can if needed.

For the new cans we would need the full amount up front but if the old ones are redone we would only need half down on these.
