Comments

Customer called in and cleaned property and is going to get pillars on front porch fixed.

Trash bags were cleaned up

Customer has cleaned up yard and removed truck from under tree.

Car has been removed from the street in front of the property and no longer at property.

moved a few small limbs up on top of the curb from what rp stated would be blocking the flow of water into Herriatage Square

Did a walk through on a buisness to let us know what work the property owner had supposidly done without permits.

no violation was found trash was not in alley way

Spoke with property owner and he stated that it would be cleaned or they will be evicted.

Lights were tilted down. Now meeting with the church and showing pictures to change wattage of lights and get the shielded.

Owner would not fix toilet because of non payment by renter. Renter moved out. Owner fixing toilet before new renter.
