

Who has the duty and responsibility to protect the American people from government overreach and crimes committed by rogue agents?

The County Sheriff is the one who can say to the feds, "Beyond these bounds you shall not pass."

## WHY BECOME A MEMBER OF CSPOA?

Restoring the "healthy balance of power" between the States and the Federal Government is pretty much the only effective and peaceful solution we have left.

Sheriffs and local officials "erecting barriers" against the destruction of our Constitution is our last great hope. We need you to work with your sheriffs and other local officials to make US stronger and more effective.

*"America will never be destroyed from an outside enemy. If we falter and lose our freedoms, it will be because we destroyed ourselves".*

- Abraham Lincoln

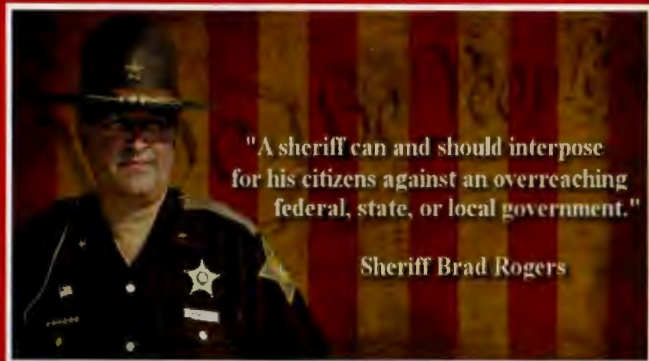

## WHO CAN BE A MEMBER?

As a citizen, you CAN be a member of the CSPOA. Your support is vital. Sheriffs and officers cannot stand alone. Much of the strength and accomplishments of this organization come from citizens standing firmly alongside those in uniform. We are grateful for and empowered by your support. Through memberships and numbers, we show that your rights were never meant to be infringed.

All Peace Officers can and should be members of CSPOA. All Peace Officers should be united in following and enforcing the US Constitution. Securing Liberty would be impossible without our nation's police being on board. The CSPOA will stand with every officer in this country who puts the rights of citizens first. Join us in this Holy Cause. We will have your backs!

## AS A PEACE OFFICER YOU CAN STAND WITH US

We have a national network of officers at every level and we respect your confidential support. The fact that we must guard our officers' identity speaks volumes to what we are up against. You have the duty, as the last guard of citizens' rights, to uphold the Oath you took as a true defender of the Constitution.

Thomas Jefferson said, "Timid men prefer the calm of despotism to the tempestuous sea of liberty."

The Constitutional Sheriffs and Peace Officers Association, CSPOA, will unite the sheriffs, police, local officials and citizens who are willing and courageous enough to join us in the "tempestuous sea of liberty."

Sheriff Richard Mack (RET) founded the Constitutional Sheriffs and Peace Officers Association to unite all public servants and sheriffs to keep their word to protect, preserve, and obey the Constitution of the United States.

Mack is a graduate of the FBI National Academy. Some of his positions included: patrol officer, undercover narcotics officer, hostage negotiator, school resource officer, corporal, front desk sergeant, detective, sheriff and jail administrator.

In 1994 Sheriff Mack took a courageous stand to defend the US Constitution and the autonomy of Sheriffs against the Clinton administration. His lawsuit and subsequent victory at the Supreme Court proved once and for all that the Sheriff is indeed the ultimate law enforcement authority in his county and in this country. He is not a bureaucrat and he does not answer to one. He answers to his boss, the citizens. The Sheriff is the employee of the people and exists to serve and protect them in all matters.
