# Marketing Department Report for City Council

July 2022

By Owen Tiner

**Facebook Statistics:** Statistics for the month of July showed a average high engagement with the rodeo, a music event at the gazebo, and with the announcement of Mineola as one of the best towns in Texas to retire. Mineola, TX page and the Nature preserve pages still have the most reach, followed by Main Street. Farmers Market page is getting plenty of traffic each week and posts about the mini train and information about the change in trash pick up times show that a large amount of citizens get information from our facebook pages.

**Twitter:** Gaining followers and post engagements. @txmineola

## Marketing Opportunities:

- The rodeo was a huge success despite the high temperatures
- *Tourtexas.com*– **Tourtexas.com/destinations/mineola** has the three pages up and our brochures. Leads from potential tourists are sent weekly and I have been making secondary contact through USPS mail and compiling email addresses. Over 700 so far.
- Wood County Now - We are continuing our partnership with Wood County Now. It has proven to be most beneficial especially on the social media side of things.
- Farmers Market is rolling along nicely with plenty of engagement
- Working on an ad for the Texas State Travel Guide for 2023. It will feature our 150th year logo
- KETK also did an interview with Mercy on the story by worldatlas.com naming Mineola one of 12 cities in Texas that are great to retire in.
- The Mini Train is giving a lot of rides but we have changed the run time to 9:00 - 1:00 to beat the heat.
- Application for HOT funds grant from WCEDC is in the works and will be submitted July 26th.
- Planning preparations for the 150th celebration are underway. Mprints has completed the logo and I'm starting to look at promotional materials
- November Family Fun Day event in planning stages with Clover Educational Consulting group.
- New event in October "Planes, Trains, and Automobiles" will feature a car show, Wisener field's annual celebration, and model trains in the depot (mini train to run that evening)

## Ongoing:

- Updating of City website continues as needed. Removing outdated info, refreshing pages and using time to study and proof all pages for errors and inaccuracies in general. Publishing required state and local mandated information when directed. Assisting staff when and where needed with projects and programs and updating the calendar

## Meetings Attended:
