Subject: Database Maintenance FY 2023

Dear Mayor Lankford,

In 2005, the City of Mineola entered into a contract to allow ETCOG to provide 9-1-1 addresses to your citizens. The deliverables outlined in the contract includes providing mapping services and maintenance of the 9-1-1 Database. ETCOG greatly appreciates the opportunity to provide these support services. Because you have maintained this service, ETCOG has reduced the cost to you by 30% of the base cost. Today, the cost for this service is \$3,096.10.

ETCOG proposes to continue this effort on behalf of the City of Mineola. With that in mind, we are sending you the contract and invoice, via email, for your review. Please print two copies of the contract, sign them both, and mail them back to ETCOG along with your payment. Once the contracts are received, we will route them for signature by our Executive Director. At that time one original contract will be returned to you for your files. The contract period will begin October 1, 2022 and ends on September 30, 2023.

Please contact me at (903) 218-6461 with any questions you have concerning these documents. We look forward to continuing this service for the City of Mineola.

Sincerely,

Stephanie Heffner  
Director of Public Safety
