I should have included you earlier, apologies.

This couple went on and on about how great Nicky was, they look forward to spending spring break at the Reserve and are excited to see Nicky again.

I just got off the phone with a couple from Indiana, they called to make reservations for the Derby for spring break, they were very complimentary about our trails and especially about Nicky. They said they really liked how he comes around to talk to everyone, he made them feel very welcome and are looking forward to seeing him again.

Wanted you to know.
