Dear Mercy:

In accordance with provisions in our contract Amendment for Solid Waste Collection & Disposal with the City of Mineola under RATES please accept this letter as your required notification from Republic Services of the 3% rate adjustment. (This represents a .34 cent per month increase per residential unit charged to the city \$11.85). Commercial Handload rates will also reflect 3% on the matrix rate sheet. The effective date of said adjustment shall be July 1, 2023. Please note that Commercial dumpster rates are not affected.

This annual adjustment was approved at the execution of the current solid waste contract Amendment by council and will not require any further action with the exception of a new ordinance for new rates passed on to the City's customers.

I have attached a new rate sheet for your approval. Please look over these carefully and let me know if there are any corrections. We sincerely appreciate the city of Mineola.

Sincerely,
