Reference: Well # 4 Attn: Rolando waterdepartment@mineola.com

Dear Rolando,

We have completed our initial camera survey and teardown of the well pumping equipment and sourced equipment. We recommend a well rehab, complete with debris jetting and Chlorine injection into the screen areas as detailed below along with a motor repair, and pump/column pipe assembly replacement. Please review the Scope of Services for our proposal, as outlined below.

Scope of Services

Pull & Inspection: Completed \$22,780.00

- Mobilize rig and crew to pull existing pumping equipment
- Remove the pumping equipment from the well under normal removal procedures.
- Transport pump to Tyler facility for inspection
- Complete downhole camera survey of well, Provide report of inspection and camera survey with recommendations

Well Rehab: Proposed \$35,830.00

- Mobilize equipment and crew to complete well rehabilitation, transport work pipe, air compressor and other ancillary equipment necessary for rehab operations.
- Jet fill from well screens,
- Swab and inject with Chlorine (12%) into screen sections and work swab in Screen areas, letting solution set in well overnight
- Jet Chlorine to tank and neutralize prior to release
- Jet accumulated debris from well
- Complete second downhole camera survey of well and provide report of inspection and camera survey with recommendations

Equipment and Install: Proposed \$70,109.00

- 40 HP Motor Repair
- New PGI pump bowl assy R9L7 400 @ 290'
- 220' 6 x 2 x 1 3/16" Shaft Assy. Complete with Tension Bearing Assy
- New water level detection kit/ Complete with new SS Airlin

Includes equipment Install:

- Mobilize rig and crew to install new pumping equipment
 - Transport and install new equipment at well site
 - Perform start up with new equipment
- Complete with 2 hour run test, Bac-T sampling

Total for all Materials, Labor, and Services outlined above.....\$128,719.00

This proposal is Buyboard compliant and can be purchased through Buyboard at this cost.

BuyBoard Contract # 662-22 & 672-22

Thank you for the opportunity to offer you our services as we await your response.

Sincerely,

Ronnie Castaneda
