Subject: Passing through

Coming from a trip Oklahoma City we passed through your toe and decided to stop to eat.

We ended up downtown and I was instantly hooked! The place is BEAUTIFUL! It made me feel happy and this wasn't a happy trip. I went on and on to my husband

We plan to come and stay a day or two and visit all of the downtown shops. We tried to eat at the East Texas Burger but it had a line! What a happy beautiful place the downtown is, from the parking on up!
