**Date:** September 24, 2024  
**TO:** Mayor & City Council  
**CC:** Mercy Rushing, City Manager  
**From:** Doris Newman, Main Street Manager  
**Subject:** Main Street Board vacancy

## **Background information**

A three-year term position has arisen due to Wanda Dubbs terming off. Corinne Murdock is willing to serve as a member of the Main Street Board. Her residency has been verified as in the Mineola School District. She has expressed her interest in our town. Corinne serves as the Deputy Director for State Representative Cole Hefner and has volunteered at the Mineola Animal Shelter for almost a year assisting with social media, socialization and exercising of the animals.

## **Recommendation**

Not only do I recommend Corinne Murdock for the position previously held by Wanda Dubbs, but the Main Street Board believes she will be an asset to our team as well.

Mineola Main Street Advisory Board

What experience and/or educational background would you bring to our board?

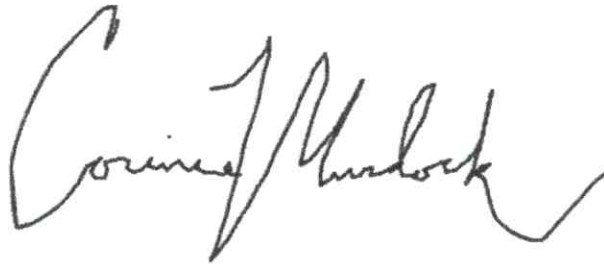

I would bring experience in state governance (current and recent past employment for lawmakers, as district director and communications director, respectively), social media content creation (animal shelter volunteer and past employment as a communications director), and writing and research (past employments as an investigative reporter for the Daily Wire and independent reporter).

My educational background consists of a bachelor's in American Studies – what was considered to be the unofficial pre-law route at Hillsdale College – with a minor in rhetoric and public address. While there, I was team captain of our collegiate women's tennis team; during my captaincy, we secured back-to-back conference championships.

What City boards have you served on before, when and where?

None.
