

MEMORANDUM

DATE: January 23, 2025

TO: Mayor Lankford & City Council

VIA: Mercy Rushing, City Manager

FROM: Cindy Karch, City Secretary/Finance Director 

SUBJECT: Discuss and consider action to solicit bids for Solid Waste Collection Service.

Background Information:

The Residential Solid Waste contract with Republic will expire July 1, 2025, and the Commercial will expire October 15, 2026. The current residential contract began in 2015 and the commercial in 2016.

Republic would like to negotiate a new contract to include both residential and commercial services in the same contract. However, it is time to solicit bids if the council desires to. I have been contacted by several other solid waste providers who would like to submit proposals.

Recommendation:

Council can direct staff to solicit bids for Commercial and Residential Solid Waste and bring to the next meeting, or direct staff to negotiate a new contract with Republic Services to combine both.

Final Disposition:
